Dear Jim,

I just had to let you know what an awesome product Monster Grip is.

I recently painted inside & out of my 1956 Hillsburg boat and the deck and cabin were so slippery, it certainly wasn't safe. Then I purchased a gallon of your Monster Grip. It was so easy to apply, just used a pan & roller...like any other paint job. It was dry within hours and its appearance beautiful. As owner of Ackerman Marine Services, I've painted quite a few boats but this was the easiest (and inexpensive) thing I've ever done. I will be sure to refer this product to anyone who is thinking about painting their boat.

Thanks again for such a remarkable safety product. I've never been so impressed with a new product.

Sincerely,

Rick Ackerman
